

Substantive Contacts Questionnaire - Confidential Assessment

In order to satisfy the U.S. International Traffic in Arms Regulation (ITAR) §126.18, Boeing Australia must have effective measures to prevent transfer of ITAR or EAR 600 series controlled technology to destinations, individuals or organisations for purposes other than those authorised by a Directorate of Defense Trade Controls Manufacturing License Agreements (MLA), Technical Assistance Agreements (TAA) or Bureau of Industry and Security Export License or Strategic Transfer Authorisations (STA).

The Substantive Contacts Questionnaire is required to be completed by all Boeing Australia applicants to adhere to the above requirements.
